"Category-I" University accredited at "A++" grade by NAAC and conferred "University with Potential for Excellence" Status by UGC

No. VC : 87
Dated 31/2/2025

Message

Prof (Dr) Karamjeet Singh

Guru Nanak Dev University, which goes beyond the lecture theatres to a place where experiments and experiences are the educators, looks beyond complications to elucidations that address societal, technical and commercial needs, and works beyond the laboratories to the research that drives businesses, establishments and society, has rightly been conferred upon the status of "University with Potential for Excellence" by UGC and accredited with "A++" grade (highest level) with a scale of 3.85 out of 4 point scale by NAAC. Being at the forefront of innovation, invention and novelty, a home to transformational research and enthused learning, the University has also earned "category one" status and has become the only University to receive this elite status in the region of Punjab and Chandigarh.

The Department of Education is a major department of Guru Nanak Dev University and it is with immense pride and joy I extend my heartfelt congratulations to the Department of Education on the release of the second issue of their e- magazine, Mindful. This initiative reflects the commitment of the university to foster creativity, intellectual growth, and holistic development within its academia. Mindful is more than a publication, it is a platform that captures the diverse ideas, aspirations, and talents of our students and faculty. It serves as a testament to the culture of excellence that Guru Nanak Dev University nurtures—a culture rooted in innovation, collaboration, and mindfulness in all endeavours. I commend the editorial team for their dedication and creativity in bringing this issue to life and applaud them for compiling and sharing scholastic pursuits and co-scholastic activities accomplished by the department. Such efforts are instrumental in shaping the future of education and inspiring meaningful dialogue within and beyond our university. May Mindful, continue to grow as a beacon of inspiration, fostering a spirit of inquiry and mindfulness among its readers.

DEPARTMENT OF EDUCATION

From the Dean's Desk Faculty of Education

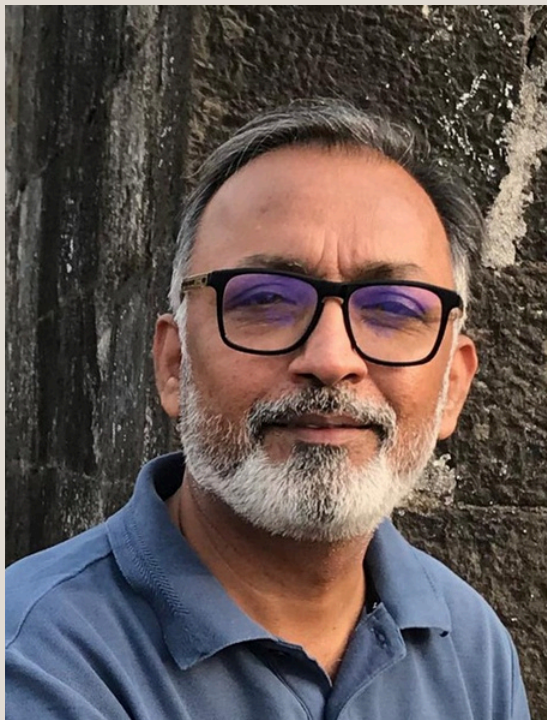

It brings me immense pleasure to present the second issue of our e-magazine, Mindful, a platform dedicated to showcasing the creative spirit and intellectual endeavors of our vibrant community. This issue celebrates the power of mindful reflection, innovation, and collaboration in education. It is a testament to the collective efforts of our students, faculty, and staff, whose contributions enrich the culture of learning and growth in our department. In addition, this e-magazine would serve as an evidence to the department's commitment to providing inclusive experiences to the students. Education is a journey of exploration, and Mindful serves as a window into the thoughts and experiences that define this journey. Through its pages, we witness the diverse perspectives, aspirations, and achievements of our community, reminding us of the transformative potential of education when approached with intentionality and care. I extend my heartfelt gratitude to the editorial team for their dedication and creativity in bringing this issue to life. May Mindful continue to inspire and connect us as we pursue excellence in education.

"Both parties will collaboratively organize different Workshops/ Seminars/ Conferences for the Continuous Professional Development (CPD) and Continuing Rehabilitation Education (CRE) programs of faculty members", said Prof Deepa sikand, Dean faculty of Education, Guru Nanak Dev University, Amritsar.

DEPARTMENT OF EDUCATION, GURU NANAK DEV UNIVERSITY, AMRITSAR SIGNS MOU WITH PEHAL GOVERNMENT RESOURCE CENTRE (SPECIAL SCHOOL) AND GOVERNMENT SENIOR SECONDARY SCHOOL, KARAMPURA

Guru Nanak Dev University declares to start Teacher Education programmes for special students and for inclusive environment. School of Education at Guru Nanak Dev University has developed state of art facilities for running B.Ed special education (Multi Disability) and Integrated Four Years Teacher Education Programmes for Training teachers and is ready to start various teacher education courses in face- face, online and blended mode. There has been dearth of special educators in Punjab as there is not even one centre which is training teachers for special students, and governments have already mandated to all schools to have at least one special educator in each school. This initiative is taken keeping in view centre as well as state government's commitment to equity, access and quality principles of education policies. In this context, MOU between Department of Education of Guru Nanak Dev University and Pehal Government Resource Centre (Special School) and Government Senior Secondary School, Karampura, Amritsar is signed in the presence of Prof Jaspal Singh Sandhu Vice Chancellor, GNDU, Prof Hardeep Singh, DAA, Prof K S kahlon, Registrar, Dr Preet Mohinder Singh Bedi, Director University Linkage, S. Dharminder Singh Gill, Distt. Coordinator & Incharge, Pehal Govt Resource Centre, Karampura, Amritsar, S. Ashishinder Singh, Distt. Social Security Officer, Amritsar, Prof Amit Kauts and Dr Deepa Sikand Head, Department of Education. During the Interaction, Vice Chancellor Prof Jaspal Singh Sandhu shared his vision of launching new courses for catering to the need of scarcity of trained and proficient teachers in handling diversity and thereby making inclusion in schools a success.

49TH ANNUAL CONVOCATION OF GURU NANAK DEV UNIVERSITY, CONTD.

06 April 2024

i

Sh. Banwarilal Purohit said that fortunate are you, to have an opportunity, to graduate from an institution which has been spreading the light of knowledge since 1969. It is a university that has earned for itself a place of pride in the higher education landscape of the country. He said that this university is named after the visionary saint Sri Guru Nanak Dev Ji, who preached equality and compassion and stands as a beacon of enlightenment in a world often shrouded in darkness. He said in hindi that श्री गुरु नानक देव जी के अवतरण के बारे में कहते हैं न कि “मिट्टी धुंध जग चानण होय”. He said that I am happy that the university is standing upto its name and fostering in its students the attributes of tolerance, perseverance, conviction and self-reliance. Guru Nanak Dev University is growing vertically in its rankings and performance. Delving in his own experience in school he Reiterated the importance of Character in life along with good education. He cited Swami Vivekananda speech in Dharama Sansad in Chicago in context of Vasudhaiva Kutumbakam and giving emphasis to female in our indian culture. He exhorted the audience and students to lead a simple, truthful life with limited needs, live with self respect, self reliance, raise voice against injustice (quoting Martin Luther King), associate with person of good quality and be good citizens of India and the world.

While lauding the achievements of the University, Sh. Purohit said that this University has been conferred with the status of “University with Potential for Excellence” by the UGC, and accredited with “A++” grade by NAAC. It has also attained 48th ranking in NIRF Ranking in 2023. The faculty of the university has also carved a niche for itself in their respective research areas and the H-Index has increased to 145 in 2024 from 64 in 2017. Likewise, the achievements of the university in the field of extracurricular activities and sports are noteworthy. He said that this University won the Maulana Abul Kalam Azad Trophy, the highest sports awards for a university in the country, for a record number of 25 times which speaks volumes about the achievements of the university. Prof. Sandhu appraised chief guest and others about the activities and achievement of the University in the field of academics, research, culture and sports. Prof. Jaspal Singh Sandhu also honored Prof. Yogesh K. Chawla and Prof. Sood with Coffee Table Book & Phulkari on the behalf of the University.

TEACHERS' DAY CELEBRATION

Department of Education celebrated Teacher's Day with zeal and zest on Sept. 04, 2023. There was an unusual excitement in the department which was quite contagious. The department of Education was beautifully decorated by the students for teacher's day. The students of all the classes of the department were organized a function for teachers.

The program began with university prayer and with lightning of a lamp in front of Maa Saraswati's idol, known as symbol of knowledge and peace. After that, Prof (Dr) Amit Kauts, Head, Department of Education and Prof (Dr) Deepa Sikand Kauts, Dean Faculty, Department of Education presided over the event. Firstly, the Students of the department welcomed the Head of Department Prof (Dr) Amit Kauts and Dean faculty of Education, Prof (Dr) Deepa Sikand Kauts by presenting a sapling to them. The faculty of the department offered flowers to Dr Sarvepalli Radhakrishnan ji. Prof (Dr) Amit Kauts, Head, Department of Education, highlighted the significance of Teachers Day by sharing anecdotes about the life and contribution of Dr. Radhakrishnan ji.

TEACHER'S DAY CELEBRATION (CONTD.)

Followed by the speech, a cultural program which included a dance performance, a value-added skit was presented by students and a song thanking the teachers was sung by students of the department. Ms. Arash gave the presentation on the contributions of remarkable teachers. Ms. Vimal, Ms. Jasmal, Ms. Pallavi, Ms. Rohini of B.Ed class students performed the group dance with great enthusiasm. Mr. Dilpreet Singh, Ms. Kamal of ECCE-I presented the songs. A skit of value based teaching was performed by the students of ECCE and B.Ed class. Ms. Siya and Ms. Priyam of ECCE- 1 class performed the Punjabi dance. Mr Gurpreet Singh of M.Ed -III sung a self-composed song.

Prof (Dr) Deepa Sikand Kauts, Dean faculty of Education, expressed the love and dedication of teachers in her words. She remarked that it is important to acknowledge the significant role teachers play in shaping the future generation. Teachers are not only responsible for imparting knowledge but also for insisting values, morals and life skills in their students.

The activities performed by the students not only provided a platform to students to express their gratitude towards teachers but also created a fun and enjoyable environment for everyone to participate in.

WORLD DEAF DAY CELEBRATION

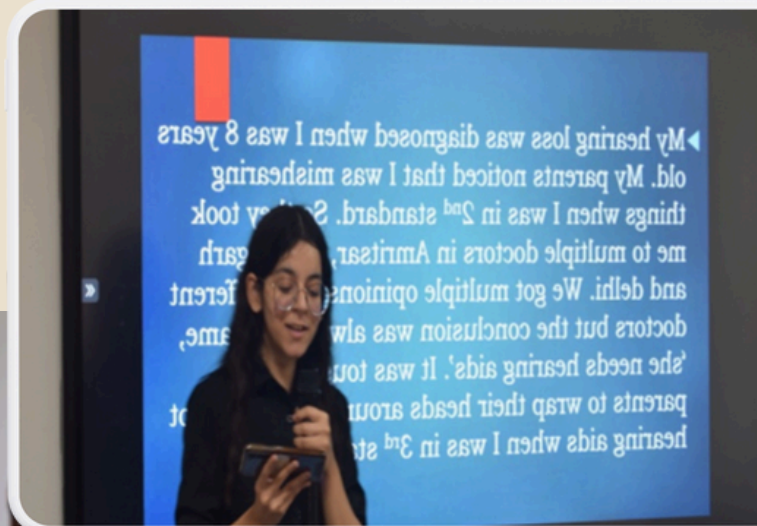

Guru Nanak Dev University (GNDU), Amritsar, celebrated World Deaf Day on September 22, 2023, with a resounding commitment to inclusivity and awareness. The event, organised by the Department of Education, was conducted in accordance with the Rehabilitation Council of India (RCI) norms, under the dedicated guidance of Prof. Dr. Amit Kauts and Prof. Dr. Deepa Sikand.

World Deaf Day is an annual observance that underscores the significance of understanding, respecting, and promoting Deaf culture, sign language, and the rights of the Deaf community globally.

Under the visionary leadership of Prof. Dr. Deepa Sikand, the Department of Education at GNDU, Amritsar, took a significant step toward recognising the unique needs and contributions of the Deaf community. The celebration of World Deaf Day served as a platform to raise awareness about the challenges faced by Deaf individuals and the importance of fostering an inclusive society.

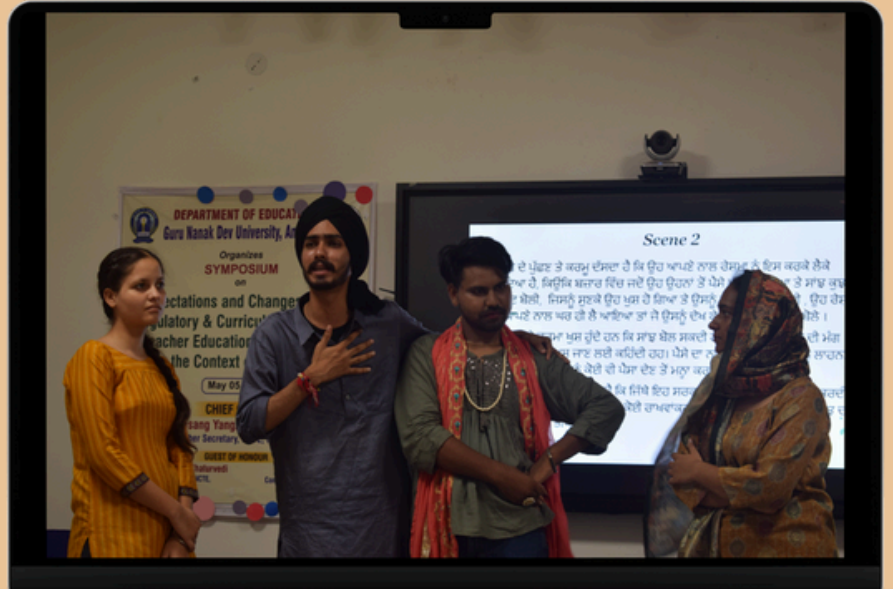

The promises for this year's event, "Empowering Through Sign Language," emphasised the pivotal role of sign language in bridging communication gaps and ensuring Deaf individuals have equal access to information and opportunities. Prof. Dr. Deepa Sikand highlighted the importance of promoting sign language education and enhancing communication skills as vital steps toward inclusivity.

Country leaders—whether Prime Ministers, Presidents, other government officials, members of parliaments, members of city council – should sign this year's theme "A World Where Deaf People Everywhere Can Sign Anywhere!" in their national sign language.

World Deaf Day Celebration (Contd.)

The celebration commenced with a symbolic and illuminating gesture as Prof. Dr. Deepa Kauts, a distinguished figure in the field, enlightened the ceremonial lamp. Following this symbolic act, she delivered a poignant and insightful speech that shed light on the history, themes, and essential aspects of World Deaf Day.

This course will prepare teachers for the 4 stages of the new school structure i.e. Foundational, Preparatory, Middle and Secondary (5+3+3+4). ITEP will be available for all students who choose teaching as a profession after Secondary education, by choice.

INAUGURATION OF INTEGRATED TEACHER EDUCATION FLAGSHIP PROGRAMME OF NCTE UNDER NEP-2020 (CONTD.)

Prof (Dr) Amit Kauts, Head, Department of Education felicitate the guests by presenting a pot of sapling with his wording that It is a truly exciting day for us as we are beginning a new chapter in the life of our Department of Education. He said that ITEP is a 4 Year dual-major undergraduate degree offering B.A. B.Ed. and B.Sc. B.Ed. and B.Com. B.Ed. Admission to the course has been carried out by the National Testing Agency (NTA) through the National Common Entrance Test (NCET).

This integrated course will benefit students since they will save one year by finishing the course in 4 years rather than the customary 5 years required by the present B.Ed. plan,. "ITEP will not only impart cutting-edge pedagogy but will also establish a foundation in early childhood care and education (ECCE), foundational literacy and numeracy (FLN), inclusive education and an understanding of India and its values/ethos/art/traditions, among others.

Guru Nanak Dev University, Amritsar is among 42 institutions of India to offer a four-year integrated programme in teacher education aligned with National Education Policy (NEP) 2020. The National Council of Teacher Education (NCTE), New Delhi has granted recognition to 42 Central and State universities and institutions, including IITs, NITs, RIEs, and IGNOU, for the first phase piloting of Integrated Teacher Education Programme (ITEP) as envisioned in NEP 2020. By 2030, according to the NEP 2020, only educationally sound, multidisciplinary and four-year integrated teacher education programmes shall be in force. ITEP curriculum framework draft has been prepared in consonance with the NEP 2020 and the schemes, syllabi and ordinances of the programme have been approved by the University's Academic Council.

INAUGURATION OF INTEGRATED TEACHER EDUCATION FLAGSHIP PROGRAMME OF NCTE UNDER NEP-2020 (CONTD.)

Prof (Dr) Ved Parkash, Former Chairman, University Grant commission (UGC) shared that the conceptualisation of teacher education programmes (TEPs) has begun at 1) pre-primary to primary, and 2) upper primary to secondary. The programme was conceptualised to integrate liberal UG studies with professional preparation of teachers learning from the experiences of the existing four-year programme models. This is one of NCTE's key initiatives for NEP 2020. All students pursuing teaching as a career after secondary school will have access to ITEP. Completing the course in 4 years instead of the traditional five years needed by the current B.Ed. Plan, students will save one-year thanks to this integrated course.

Special Guest Prof (Dr) Shimla, Former director, Interpretation Division, Lok Sabha, New Delhi and Former Registrar, JC Bose University of Science and Technology, Faridabad, congratulated the Guru Nanak Dev University, Amritsar for launching this pioneering 4-year Integrated Teacher Education Programme (ITEP), commencing from the current academic session at the varsity. This innovative programme not only reflects the university's commitment to excellence in education but also aligns seamlessly with the objectives outlined in the National Education Policy 2020 (NEP-2020). The programme has been meticulously designed to cater to the evolving needs of the education sector and to equip aspiring teachers with a comprehensive skill set that encompasses both theoretical knowledge and practical classroom experience. It has been designed to meet the evolving demands of the education sector while equipping students with the necessary skills, knowledge, and pedagogical techniques required for modern teaching.

Potential Challenges

- **Emotional demands:** Working with students with special needs can be emotionally challenging.
- **Complexity of student needs:** Interns may encounter students with complex, diverse needs, requiring creative problem-solving and adaptability.
- **Communication barriers:** Interns may need to communicate with students who have limited verbal skills or use alternative communication methods.
- **Time management:** Interns must balance multiple responsibilities, including supporting students, attending meetings, and completing paperwork.

Benefits

- **Hands-on experience:** Interns gain practical experience working with students with special needs.
- **Networking opportunities:** Interns connect with professionals in the field, potentially leading to job opportunities or mentorship.
- **Enhanced job prospects:** Completing an internship program at a special school can make interns more competitive in the job market.
- **Personal growth:** Interns develop empathy, patience, and understanding, leading to personal growth and a deeper appreciation for diversity.

Integrated teacher training programmes begin at GNDU

TRIBUNE NEWS SERVICE

AMRITSAR, MAY 9
Integrated Teacher Education Programmes began at Guru Nanak Dev University today.

Nanak Dev University (GNDU) is the first and only state university in north India to have got approval to launch Integrated Teacher Education Programmes (ITEP) - vis-a-vis BA-B.Ed, B.Sc. B.Ed and B.Com-B.Ed for secondary stage teachers from the session 2023-24 with an intake capacity of 50 seats in each course.

The ITEP, as recommended by NEP 2020, is a flagship programme of the Government of India. The course will be launched from the session 2023-24 in 41 institutions of Central and state universities of India. Also, the admission process will be undertaken by the National Testing Agency (NTA) said Kesang Yangzom Sherpa

(IRS), Member Secretary, National Council for Teacher Education (NCTE), New Delhi. Today, the GNDU hosted a symposium on the theme 'Expectations related to changes in the regulatory and curricular aspects of teacher education programmes under NEP-2020' organised by the Department of Education, where Sherpa addressed the faculty members.

GNDU has taken a lead in

spirit, which includes initiation of four-year undergraduate courses with multiple entry and exit programmes, value added courses, skill enhancement abilities, Academic Bank of Credits, one-year post-graduate degree etc.

Prof Behl also appreciated the initiative of the Department of Education to start a mandatory course in andragogy for research scholars of all the departments.

In his interaction, Sherpa talked about the modalities for effective implementation of integrated courses in teacher education. She expressed her concern about the various challenges, one of them being the gap between disciplinary knowledge and pedagogical concerns. She added that the prime focus at this juncture should be to make discipline an internal part of the training to achieve successful amalgamation.

Sarabjit Singh Behl, Dean, Academic Affairs, informed the NCTE officials about the university's efforts to implement NEP-2020 in the right

GNDU observes National Space Day, screens documentary

TRIBUNE NEWS SERVICE

AMRITSAR, AUGUST 23

The Department of Education of Guru Nanak Dev University (GNDU) celebrated the first National Space Day to honour the historic achievement of the successful landing of Chandrayaan-3 on the moon. Prof Deepa Sikand Kauts, Dean, Faculty of Education, chaired a special session, where a documentary film on the theme, "Touching Lives while touching the Moon: India's Space Saga" was screened to offer a glimpse into our nation's remarkable achievement and to inspire and enlighten the students about the impact on the technological landscape. The day marks the anniversary of India's Chandrayaan-3 mission, which successfully landed on the moon's South Pole last year.

Prof Kauts in her speech highlighted the significance of the day. "The Indian government officially designated August 23 as National Space Day in recognition of this significant achievement, reflecting India's expanding capabilities in space exploration and highlighting the vital role of space science and technology in national development. This achievement signifies a historic milestone for the nation, as India became only the fourth country globally to successfully land a rover on the Moon and the first to do so in the southern polar region. Accompanied by the Pragyan Rover, the Vikram lander touched down at a site designated as Shiv Shakti."

(IRS), Member Secretary, National Council for Teacher Education (NCTE), New Delhi. Today, the GNDU hosted a symposium on the theme 'Expectations related to changes in the regulatory and curricular aspects of teacher education programmes under NEP-2020' organised by the Department of Education, where Sherpa addressed the faculty members. GNDU has taken a lead in

implementing all the courses offered by NCTE. In her session, Kesang Yangsom Sherpa said that these ITEP programmes are altogether different from the existing programmes being run by the colleges in terms of admissions, curriculum and evaluation process.

Sanjay Singh Behl, Dean, Academic Affairs, informed the NCTE officials about the university's efforts to implement NEP-2020 in the right

spirit, which includes, introduction of four-year undergraduate courses with multiple entry and exit programmes, value added courses, enhancement abilities, etc. Prof. Behl also appreciated the initiative of the Department of Education to make mandatory course in category for research scholars in all the departments.

In his interaction, Sh. Behl talked about the modification of integrated course for teacher education. She expressed her concern about the various challenges, one of them, the gap between disciplinary knowledge and logical concerns. She said that the prime focus of the discipline should be to achieve the training to achieve successful amalgamation
